

ELECTRICAL PANEL ACCESS - SAFE ENTRY

WHO SHOULD PARTICIPATE?

Personnel who need to enter control panels and have the responsibility for resetting breakers, trips, overloads etc.

PROGRAMME BENEFITS:

By the end of the course delegates will have the confidence to enter a control panel safely, understand the hazards and associated risks, identify panel components and be able to undertake resets safely.

CERTIFICATION

Upon achievement delegates will receive an MGTS certificate of attendance.

DURATION

1.5 Days

THE PROGRAMME WILL COVER:

- Electrical safety - hazards and risks associated with electricity
- Applicable Health and Safety legislation - legal compliance
- Safe isolation, Lock Off and Tag Out (LOTO) procedures
- Understanding limitations and restrictions of panel access
- Understanding the different voltages present in control panels (power and control)
- Identification and functionality of control panel components
- The potential causes of overcurrent and short circuits
- Practical resetting/replacing of electrical safety devices
- Dynamic risk assessment
- Completion of recording documents

OUR SERVICE LEVEL COMMITMENT

MGTS will ensure that:

- Your training and assessment programmes are delivered by Tutors highly experienced in the relevant subject matter and your industry.
- The delivery of training and assessment will focus on your training objectives supported by up to date programmes and learning materials.
- Your employees will receive training designed to meet their personal learning needs with additional support where appropriate.
- Training programmes are delivered with your requirements as the focus ensuring total flexibility and on time delivery.
- Your employees benefit from a healthy, safe and secure learning environment ensuring equality of opportunity and diversity of contribution to enhance the learning experience.
- You and your employees are given support to achieve high quality personal learning and successful learning transfer to the workplace.
- The confidentiality of your business development needs is maintained throughout.

BOOKINGS & PAYMENTS

Bookings must be confirmed with either a purchase order or full payment to secure the booking.

New customers will be required to complete a New Customer Account form to open a credit account.

All customers will be invoiced upon booking; our standard payment terms are 30 days unless otherwise agreed in advance for credit account customers and 7 days for non-account customers.

Payment can be made by credit card or BACS/ bank transfer.

CANCELLATION POLICY

Where courses are under subscribed MGTS may cancel or re-arrange a course at their discretion. Customers will be notified no later than 10 working days prior to the planned commencement date.

MGTS accepts customer cancellations or transfers to alternative course dates, without charge up until 7 working days prior to commencement of training.

Cancellations or transfers 1 to 7 working days prior to commencement of training will incur a 50% course fee.

Cancellations with less notice than 1 working day will incur a 100% course fee.
